A MESSAGE FROM THE PRESIDENT OF THE SANFORD LIONS CLUB

The Sanford Lions Club was organized twelve years ago by twenty-four of the leading citizens of Sanford and Lee County.

This club has grown from the twenty-four charter members to a present membership of eighty-five men.

The Sanford Lions Club was organized by these men for the unselfish purpose of giving of their time and means for the civic improvement of this town and community and also the promotion of better conditions of environment, education and sight of those of our people who were visually handicapped and blind.

We, the present membership, are trying to the best of our ability, to carry forward the aims and pledge of these, the charter members of our club.

This annual Lee County Fair is an activity of the whole population of Lee County, being only sponsored by the Sanford Lions Club. Through the cooperation of the farmers of this county, the County Agent's Office, the U. S. D. A. Council, the Agriculture and Home Economics Teachers, the Merchants of Greater Sanford and Broadway, the Mayors and Town Aldermen of both towns, the County Commissioners, the Home Demonstration Agent and Home Demonstration Clubs, the 4-H Clubs and F. F. A. Clubs and other clubs, agencies and individuals, this fair has been a continuing influence for the improving of the farm crops of our county.

We have been so handicapped in the past by lack of ground and buildings that we have been unable to really show the Cattle, Hogs and Poultry that the farmers of our county are raising, but this year we have improved these conditions and hope to have the best Cattle, Hog, and Poultry Show we have ever had.

I would like to take this opportunity to thank each and everyone of you for your splendid cooperation in the past and to pledge to you that we are ready, at all times, to serve you in any of your activities during the year.

Sanford Lions Club,

MAX McLEOD, President.

LETTER FROM COUNTY FARM AGENT AND HOME AGENT

To the Farmers of Lee County:

The Lions Club has again made definite plans for holding the Annual Lee County Fair and indications are that it will be the best fair ever for our county. I would like to urge every farmer and farm boy to exhibit some of their best farm crops, garden products, livestock and poultry.

Please note that they are again sponsoring a Dairy Cattle Show. Very attractive premiums are offered here also, and we really want to put on a real good Dairy Show.

Remember the fair can be just as good as the people of this county want to make—so plan now to make one or more exhibits. Let's all work together to make this the best fair ever held in Lee County.

Sincerely,
K. S. HARMON,
County Agent.

To the Lee County Women:

The Lions Club has again made definite plans for a Lee County Fair. The new exhibit hall and the improvements made in the display tables, offer a real challenge to the farm people to exhibit their farm products.

I hope that each of you will look through the catalog and plan to exhibit some of your vegetables, flowers, canned foods and handicraft articles. Remember by exhibiting your farm products you will be better able to compare your products with those of other women in the county.

Come and bring your exhibits and let's make the Lee County Fair the best ever.

Sincerely yours,
GAYNELLE HOGAN,
Home Demonstration Agent.

A LETTER FROM THE CHAIRMAN OF THE FAIR COMMITTEE

To the People of Lee County:

It is a genuine pleasure to welcome you to the 1948 Lee County Agricultural Fair, and it is our sincere hope that you will enjoy every portion of our expanded program.

It has been the aim of the Fair Committee to improve and enlarge our facilities to a degree that it will be possible for each of you, who may so desire, to enter some fine home or farm product for exhibit. A perusal of this catalogue will portray to you the largest and most complete premium list in the history of our Fairs. We earnestly solicit your active participation in these exhibits.

That fine midway attraction, Penn's Premier Shows, will again be present to furnish the entertainment. This outstanding amusement organization furnished the midway attraction for the 1947 Fair, and I am sure that you will agree with me that it was the cleanest, most wholesome attraction of its type to ever show in Sanford. They will come to us in 1948 a much larger, more interesting and amusing entertainer.

The Fair Committee is especially appreciative of the tireless endeavors of Mr. K. S. Harmon, our County Farm Agent, Miss Gaynelle Hogan, Home Demonstration Agent, the Agricultural and Vocational Teachers of our County Schools, the Home Demonstration Clubs, and all of our other fine citizens and their organizations who have strived so faithfully and diligently to make this Fair a success.

In your visits to the fair there will be suggestions and ideas for its improvement. We earnestly solicit your suggestions. Through our joint efforts I am sure that the 1948 Lee County Agricultural Fair will be the most successful in the annals of the County.

ROBERT L. MILLER, Chairman
Fair Committee,
Sanford Lions Club.

DAIRY CATTLE SHOW

The Lee County USDA Council, with the cooperation and financial help of the Lions Club of Sanford, will hold a Dairy Cattle Show on Tuesday, September 28, at 7:00 P. M. In any case where questions arise that are not covered specifically by the following rules the decision of the livestock show committee will be final. All animals to be shown must be on the Fair Grounds not later than 3:00 P. M. on date of show.

Stalls will be available for dairy animals this year. All animals not milking will be kept at the fair grounds the entire week. Animals may be moved from the fair grounds on Saturday, October 2. All animals must be away by 6:00 P. M.

EXHIBITORS WILL FURNISH FEED, HAY, FEED AND WATER BUCKETS. The fair sponsors will have some one to feed and care for the animals during the time the animals are left at the fair grounds.

Plans have been made to have a dairy specialist from State College to do the animal judging at the show. Breeding and feeding of dairy animals will be discussed between the various events of the show.

PURPOSE

The purpose of this show is to encourage the young farm boys and girls and adult farmers of Lee County to breed and raise more and better milk cows. There is a definite need for improving the quality and increasing the number of milk cows in this county, and for training our young people in better practices in breeding, feeding, management methods and a balanced farm program.

ELIGIBILITY AND BREEDS

Any farmer residing in Lee County is eligible to enter animals in this show. 4-H Club and F. F. A. members are urged to exhibit their animals. All animals to be shown must be approved by the County Farm Agent or Vocational Agriculture Teacher, not later than September 24, 1948.

MR. COTTON FARMER

We have just installed completely new latest model machinery in our gin, including drying system, and we are now equipped to handle machine picked cotton or damp cotton, as well as rendering our usual good service on clean cotton.

We guarantee that you will receive the best service and best returns from your seed cotton, that is available in the local territory.

It is always our aim to please the farmers, and we keep a supply of cotton seed meal on hand, either for sale to our farmer friends or for exchange for your seed. We also pay the highest prices for your cotton and seed.
